Dear Dr Bayes Ahmed,

I am writing on behalf of the Organising Committee of the *International Symposium on Himalayan River Systems: Transboundary Approaches to Land and Water Governance in South Asia*, jointly organised by the Department of Geomatics Engineering, School of Engineering, Kathmandu University, Nepal, and the Department of Geography, University of Manchester, UK, as part of the *International Science Partnerships Fund 2024/25 (ISPF) via the Research England Project*.

It is my great pleasure to invite you as an eminent speaker at this symposium, and the organising committee cordially invites you to join the event. The symposium will be held at **Kathmandu University, Nepal, on 16th–17th April 2025**.

We are delighted with your participation and greatly appreciate your valuable contribution. We are pleased to reimburse your economy-class flight tickets and will be happy to arrange your accommodation in Nepal for the event.

Once again, thank you for your support, and we eagerly look forward to welcoming you to the symposium.
